

Clothing Donations

When donating clothes to JirehScope Ministries, please take into consideration the following:
Clothes must be:

- clean - no stains, freshly laundered
- in good condition - no tears, rips, or missing buttons
- appropriate - nothing revealing or anything with inappropriate writing on it
- only new packaged undergarments

We ask that you would adhere to the following guidelines in your giving. As Christians, everything that we do is done for God's glory (1 Corinthians 10:31) and as a reflection of His vast love and endless provision. Therefore, we seek to give only that which we would give unto Him.

We thank you for your partnership

Your donation is tax deductible. If you would like a receipt for tax purposes, please note the approximate value of your donation on your donation form. If you need assistance placing a value on your donation, please do an Internet search for "clothing donation value guide." This will give you a list of web sites that publish approximate values for frequently donated items.
